Subject: RE: next meeting

Thank you for your message. It will be included in the Council's Correspondence for the Record.

Please be advised that e-mail messages written to individual Councilmembers or to the full Council are a matter of public record. If you wish to write to individual Councilmembers separately you may click on their name on the City Council Webpage at www.burienwa.gov (click on Departments and then City Council to reach the Council's page). For phone calls, you are welcome to leave a message for an individual Councilmember by calling the main City Hall number and asking to leave a message; the Councilmember will be given the message.

The Council's Webpage indicates the term of office for each Councilmember; three Council positions are on the ballot this year.

L. Clausen

Subject: next meeting

We previously had the phone numbers of city council members -separately- We could call them to discuss issues. I see this has been stopped and our emails go to the whole council thereby preventing the citizens from getting feedback from individual members. Please bring back the individual phone numbers and individual emails of the council members.

Also the citizens should be informed in the Burien official website that the elections will be held for two members this year. This is not being advertised openly.

Stacy Colombel
