Subject: Annexation of Balance of Unincorporated North Highline

Council Members;

Quite sometime prior to the partial annexation of North Highline, I spoke with a council member and he assured me that Burien would annex the south half of our area and then in a second wave annex the balance of our small community. I WANT to be part of Burien... I shop in Burien, my medical care in in Burien... my job is in Burien. I FEEL part of Burien.

My husband and I were terribly disappointed to not be included in the first area annexed. As one among many area residents who wishes to be part of Burien, my husband and I encourage Burien to move forward to annex us into the city we already feel we belong to.

Sincerely,
Madelyn Bloom
